**On the Submission of a Change Report on February 12, 2008 by Effissimo Capital
Management Pte Ltd.**

Daiwabo Information System announce that Effissimo Capital Management Pte Ltd. (hereafter referred to as Effissimo) yesterday presented a report stating that Effissimo had acquired an additional Daiwabo Information System 1,376,000 stocks (7.13%), thus increasing the percentage of our stocks owned by Effissimo to 39.92% (40.47% of total shareholder voting rights) as of February 12, 2008. We have implemented the procedure for requesting information disclosure (hereafter referred to as the policy) as announced in the Press Release entitled "Notice of Introduction of a Procedure for Requesting Information Disclosure on Stock Purchases" dated December 7, 2007. As regards holding in excess of 20% of the shares on the date when this policy became effective, the policy asked Effissimo not to purchase stocks that would increase their share by more than 1% until the end of the policy review period.

Please see the Exhibit regarding the acquisition of our stocks by Effissimo after the enactment of the policy and the progress status of the procedure of the policy.
